Re: Amendment to FAA Docket Number Docket No. FAA-2022-0180-0001 to change the name from Drone Dusters, LLC to Drone Dusters, LC.

Dear Sir or Madam:

On February 6, 2022, a Petition for Exemption was filed under Title 49 U.S.C. § 44807, and 14 C.F.R. Part 11 to Authorize Commercial Agricultural- Related Services with UAS Weighing 55 Pounds or More, for Drone Dusters, LLC, Docket No. FAA-2022-0180-0001. This was an administrative error as the company is a LC rather than a LLC. **Drone Dusters LC is requesting that the documents be changed from Drone Dusters LLC to Drone Dusters LC**

The revised petition is being submitted with the correct business name. As this is an amendment asking for only a correction to the business name, UASolutions Group, on behalf of Drone Dusters LC respectfully submits that good cause exists so that notice does not need to be published in the Federal Register for the requested amendment.

Please contact the undersigned should you have any question concerning this request for an amendment.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Kelly J. Neubecker".
